## LETTER OF RECOMMENDATION

TO: Whom it May Concern  
REGARDING: Decorators Depot, David Scott and Staff  
DATE: June 20, 2003  
FROM: Dennis Erickson, Chairman and CEO

Decorators Depot is now completing the second phase of a \$350k renovation on our residence in Rancho Mirage.

David Scott and his direct assistant, Amber Donski, are an extremely talented and reliable team. We have known David and his staff for several years and we highly recommend Decorators Depot for custom renovations and construction.

We have had experience with many contractors in the valley and to be honest only a handful maintain the honesty and integrity that we have come to know and trust in David Scott and his staff.

David takes on assignments from clients and adds even more to enhance and produce superior results. He and his staff are very talented in producing a superior product.

Please feel free to call myself or Gwen, to discuss our project and the capability and reliability of Decorators Depot.

Your sincerely,
