A.S.I.D.

To whom it may concern,

This letter is to compliment the work of David E. Scott. The design of Anita Pointer's home was very impressive. It is obvious that David E. Scott takes into consideration the wishes of his clients. It's not very often that you come in contact with such professionalism as David. He comes highly recommended and will be considered on future projects for ERIK STERLING and JASON WINTERS. Any opportunity to take advantage of his talents shouldn't be given a second thought. We wish David E. Scott the best.

Thank you,

Jack Scalfani
Asst. to ERIK STERLING
